Purchase Order Clauses

- i. **Delivery of Goods and Materials:** All Goods and Materials provided by the Seller in fulfillment of this Purchase Order ("Order") must be delivered to the Receiving Dock/Office of the Buyer Facility identified as the "Ship To" on this Order. Failure to deliver Material to the identified facility in accordance with any posted procedure or the failure to complete the delivery of proper documentation may result in a delay in payment or a potential non-payment.
- ii. **Compliance with Environmental and Safety Laws:** As referenced in the Century Plastics, LLC. Purchase Order Terms and Conditions, Items #7 and #24, it is further required that all purchased items used in the manufacture of Material and the provided Material itself shall satisfy all current governmental and safety constraints on restricted, toxic and hazardous materials as well as environmental, electrical and electromagnetic considerations applicable to the country of manufacture and sale. Prior to the first shipment of any Material under this Order, the Seller will furnish completed applicable Material Safety Data Sheets (MSDS) / Safety Data Sheets (SDS) as well as supporting information on the safe use of the Material and the hazards associated with such use. (This information should be sent to the following: ehs@centuryplastics.net.) In addition to the prior to first shipment documentation submission, the Seller must provide the updated MSDS/SDS and supporting documentation prior to the shipment of any Material that has undergone a change since any last or prior submission. In addition to the timing of these submissions, the Seller must provide a current version of any MSDS/SDS on an annual basis while the Material is being shipped to Century Plastics, LLC. (This additional information should also be sent to ehs@centuryplastics.net.)
