

CIE Automotive

ESG Form - CIE Automotive - 2022

Dear Supplier,

We know that the support to our Supply Chain has been key to the successes CIE has achieved in the last 25 years.

We are convinced that sustainability and innovation are essential:

- To achieve joint FUTURE successes.
- To continue being a benchmark in our market.
- To be the Company in which our employees feel at "home".
- To promote and collaborate in the growth of our supply chain.

Please give us a few minutes of your time so we can find out...
