

Global Dominion Access, S.A. ("**Dominion**"), in accordance with the prospectus relating to the offering and admission to listing of the ordinary shares of Dominion approved by the Spanish National Securities Market Commission (*Comisión Nacional del Mercado de Valores*) on 14 April 2016 (the "**Prospectus**"), and in compliance with article 228 of the restated text of the Spanish Securities Market Act (*Ley del Mercado de Valores*), approved by Royal Decree 4/2015, 23 October, announces the following:

RELEVANT FACT

At the conclusion of the book-building period of the offering to qualified investors of ordinary shares of Dominion (the "**Offering**"), on 25 April 2016, Dominion, and JB Capital Markets, S.V., S.A.U. and Société Générale Corporate & Investment Banking (the "**Joint Global Coordinators**") have agreed to set the offering price at €2.74 per share (the "**Offering Price**"), which represents an initial market capitalization for Dominion of approximately €450 million.

On the same date, Dominion and the Underwriters (i.e., the Joint Global Coordinators and Banco Santander, S.A., as joint bookrunner) have signed the underwriting agreement relating to the Offering.

As indicated in the prospectus of the Offering, the number of shares being offered in the Offering (54,744,525 ordinary shares representing 33.30% of the share capital of Dominion) may increase by a maximum of 8,211,678 additional shares (representing 15% of the initial offer shares) in the event that the Underwriters, through JB Capital Markets, S.V., S.A.U., as Stabilisation Agent, fully exercise the over-allotment option (*green shoe*) granted by Dominion.

Commencing on the date on which the shares commence trading on the Spanish Stock Exchanges (expected to be on 27 April 2016), inclusive, and during the following 30 calendar days, the Stabilisation Agent may engage in stabilization transactions in accordance with the Commission Regulation (EC) No 2273/2003, of 22 December 2003, with a view to support the market price of the shares of Dominion, although there is no assurance that such transactions will take place and, if any, they may be discontinued at any time.

For this purpose, JB Capital Markets, S.V., S.A.U., acting on behalf of itself and the Underwriters, has agreed to borrow from CIE Automotiva, S.A. a maximum of 8,211,678 shares (representing 15% of the initial offer shares) for their over-allotment in the Offering. This loan may be repaid by delivering shares purchased in the market or shares subscribed under the exercise of the over-allotment option mentioned above. In the event that the loan is decided to be repaid by delivering shares subscribed under the exercise of the over-allotment option, Dominion will proceed to execute the resolutions to increase its share capital in the appropriate amount through the issue of a number of new shares equal to that resulting from the exercise of the option, which will be entirely subscribed for by JB Capital Markets, S.V., S.A.U., acting on behalf of itself and the Underwriters at the Offering Price.

In accordance with the final version of the underwriting agreement, this agreement may be terminated by the Joint Global Coordinators for exceptional reasons (force majeure clause, which is a customary clause in this type of agreement) until the time on which the special stock market transaction relating to the Offering is processed, expected to be in the afternoon of 26 April 2016.
